## Details

That's shaken not slurred madam! Learn how to shake up your favourite cocktails with one of our lovely cocktail tutors. Whether it's a Fuzzy Duck or a Woo Woo that you're after by the end you'll be shaking it like Tom Cruise- you can have fun tasting them too!

Your personal barman will spend the session demonstrating and teaching the hens how to make cocktails from a menu. A cocktail may also be designed and created by the hen party under the expert guidance of your barman. If you would prefer to shake cocktails in the comfort of your own home we can arrange a mobile cocktail barman to come to you (for a travel surcharge). The price includes all mixers, equipment, alcohol and barman. Each hen will get at least 3 cocktails.
