Get your creative juices flowing with a Life Drawing Session with one of our experienced male nude models. You don't need to be Van Gough to enjoy one of these Life Drawing sessions and it is a real giggle- perfectly accompanied by champagne and cupcakes!

The session will begin with your model introducing himself and talking you through what the session will entail. Feel free to ask any questions as the models are all experienced life models and will be happy to help you. Your model will pose for you in several different poses, either by suggestions from you or his own ideas. There is no tutor in the session (unless you have opted for the London studio session) but your model will assist you with drawing tips and pointers. Eyes on the paper girls!

The price includes:

- *Professional male life model
- *Drawing equipment (where agreed)
- *Travel to your location

Price:

From £25pp

If you prefer, we can arrange for the session to be in a studio (London only) from £30pp.

To enquire or make a booking please email mail@thehenproject.com or call us on 020 3202 1064. We stand out from the crowd by offering a quality, personalised service to all our lovely hens and we will be on hand before, during and after your party to help with any queries.

* You may of course book for less than the minimum number but this may increase the price per person.
