Oh come on you've always wanted to try this! Put on your highest heels and shortest hotpants and learn some sexy moves with a professional pole dancing tutor. We can tell you from personal experience that it is a good work out too so tone those abs into the bargain.

The classes are taken by an experienced instructor who will show you some basic pole dancing moves. In most locations, you will be able to buy drinks during or before or after your session. This is a great activity to break the ice with hens. It is quite a strenuous activity and therefore may not be suitable for some guests.
