We don't know about you, but here at The Hen Project we usually get up in the morning, take one look at our wardrobe, and curse our lack of nice things to wear. Well now there's a solution! With the aim being to work with your existing clothes collection, our stylist will talk you through current trends and how to make them work with all body shapes. Once you've done the classroom bit, it's time for the shopping trip! Try on as much as you can and parade How To Look Good Naked-style in front of the stylist (in the privacy of the dressing rooms, of course) who will give you an honest appraisal of what you should be wearing and how you should be wearing it.

Once you've picked out the prettiest party pieces and coolest collections, put your feet up and relax with a glass of wine or an Anna Wintour style medium-wet-skinny-machiato-frappe-skinny-latte. Or something.

If you would like to book this activity or would like further information please email [mail@thehenproject.com](mailto:mail@thehenproject.com) or telephone 020 3202 1064. Alternatively you can fill in an online at [www.thehenproject.com/page55.htm](http://www.thehenproject.com/page55.htm).

\* You may of course book for less than the minimum or more than the maximum but this may increase the price per person.
